

## Designer/ Surveyor

Join the brand that is transforming rural areas with ultrafast full fibre broadband. We're the team where talented people are encouraged to thrive and enhance their career.

Powered by brilliant people with bright ideas, we want to hear yours. Our success is driven by your creativity, collaboration and commitment.

You'll be responsible for all design elements of the Gigaclear fibre network in their own regional area.

As the Mobile Planner/ Surveyors, you will be responsible for all design activities associated with Gigaclear's FTTP network design. The role will focus on producing a technical design that contains enough detailed and validated information about a cabinet area to give increased confidence in build and cost accuracy. This will also allow the delivery team and our contractors to build the Gigaclear network with minimal change and maximum efficiency.

You are ambitious with the tenacity to succeed. You will be able to demonstrate the essential criteria whilst bringing your own passion and ideas. We are happy to consider applications from those seeking a change of career but who can demonstrate the skills below. Some of the key skills you will possess are:

- Knowledge of FTTP network architecture and apparatus (civils)
- Detailed understanding of FTTP network build civils activities, surveying and methodologies
- Ability to identify and provide options to mitigate engineering risks.
- Ability to provide conceptual design input that will improve/ benefit the final detailed design.
- Knowledge of GIS software (ideally QGIS).
- Awareness of Health and Safety Legislation and responsibilities.
- Knowledge and understanding of NRSWA.
- Able to work with multiple departments and interact with Operations, Engineering and Sales.
- Experience of interpreting utility stats plans and knowledge of other utility plant.

You share our values. They make us who we are:

- **Find a way:** Always working together to deliver market-leading solutions and provide customer service excellence to our communities
- **Be committed:** We are all accountable for our actions and work relentlessly with our many customers to deliver on our promises
- **Do the right thing:** We always base our decisions on what we believe is fair, considerate and in the best interest of our customers and our colleagues
- **Keep it simple:** In an industry of complexity and confusion, we make things easy for everyone to understand

### Culture & benefits:

We empower people to do what they do best; fast. We want you to bring you, so we don't 'fence' anyone in to a single way of working. You will get the latest news through our staff magazine, Gigabites, and monthly company updates (food can play a major part in this!). You are living and breathing our values, so your colleagues may nominate you for our Star of the Month award. If you win you get an extra day's holiday. Like us, you probably like to get a bit social too. We have a weekly running club, Gigaclear FC plus two company socials a year, and more.

On top of this we offer great benefits such as, uncapped commission, car allowance, flexible working conditions, study support, Income Protection, Life Assurance, a generous contributory pension scheme and 25 days holiday (plus bank holidays) with the option to purchase additional holidays.

**When you apply for this role, please access the full job description in the account registration area.**
