

## Project Controls & Finance Manager

Join the brand that is transforming rural areas with ultrafast full fibre broadband. We're the team where talented people are encouraged to thrive and enhance their career.

Powered by brilliant people with bright ideas, we want to hear yours. Our success is driven by your creativity, collaboration and commitment.

In this role, you will play a crucial role on some of the most exciting infrastructure projects that aim to bring ultrafast broadband to the most challenging to reach parts of rural England. Day to day you will support the project teams in establishing performance management baselines, assessing the cost impact of changes, performing estimates to complete and reporting earned value metrics. Alongside the Project Planner you will also drive performance against the project plan to deliver on time, cost and quality.

You are ambitious, an expert in your field with the tenacity to succeed. You will be able to demonstrate the essential criteria whilst bringing your own passion and ideas. Some of the key skills you will possess are:

- Previous experience within a relevant project controls/PMO environment
- Demonstrable experience of budget management, cost control and progress reporting
- Detailed understanding of Earned Value Management (EVM)
- Good understanding of Critical Path Analysis (CPA)
- Have a solid proven experience working on large projects within Rail, Infrastructure, Utilities, Aviation, Highways or Civils or Buildings
- Be knowledgeable of working with Primavera P6 aligning schedules with costs
- Understand Risk management
- Strong experience of financial and investment analysis, for example IRR, NPV, Payback
- Contract management experience, including meeting contractual reporting obligations, writing change requests, and performing change impact assessments
- Telecoms/Infrastructure (TMT) sector experience with a broadband focus would be highly desirable

You share our values. They make us who we are:

- **Find a way:** Always working together to deliver market-leading solutions and provide customer service excellence to our communities
- **Be committed:** We are all accountable for our actions and work relentlessly with our many customers to deliver on our promises
- **Do the right thing:** We always base our decisions on what we believe is fair, considerate and in the best interest of our customers and our colleagues
- **Keep it simple:** In an industry of complexity and confusion, we make things easy for everyone to understand

### Culture & benefits:

We empower people to do what they do best; fast. We want you to bring you, so we don't 'fence' anyone in to a single way of working. You will get the latest news through our staff magazine, Gigabites, and monthly company updates (food can play a major part in this!). You are living and breathing our values, so your colleagues may nominate you for our Star of the Month award. If you win you get an extra day's holiday. Like us, you probably like to get a bit social too. We have a weekly running club, Gigaclear FC plus two company socials a year, and more.

On top of this we offer great benefits such as, Study Support, Income Protection, Life Assurance, Pension and 25 days holiday (plus bank holidays).
