

Network Engineer

Join the brand that is transforming rural areas with ultrafast full fibre broadband. We're the team where talented people are encouraged to thrive and enhance their career.

Powered by brilliant people with bright ideas, we want to hear yours. Our success is driven by your creativity, collaboration and commitment.

Reporting to the Head of networks, the network engineer will be responsible for providing 3rd line support, deployment of design solutions. We are looking for an affable, flexible and analytical individual who can **Think, Drive, Support, Coordinate** and **Deliver**. The right candidate will be able to work autonomously and as a group member, and will be motivated by being part of an organisation with the ability to push through and deliver on objectives.

You are ambitious with the tenacity to succeed. You will be able to demonstrate the essential criteria whilst bringing your own passion and ideas. Some of the key skills you will possess are:

- 2 years proven experience in an ISP or large Enterprise environment
- Desire to take full ownership of a project.
- Network aptitude. The skill to take a new technology, research it and deploy it live
- In-depth troubleshooting at the LAN and WAN levels.
- Ability to interpret packet captures
- Experience in documentation of technical issues.
- Ability to understand IP network designs
- Practical knowledge of BGP, OSPF, ISIS
- Knowledge of multiple network technologies IP, Ethernet, Switching, QinQ, VPLS, VPN, MPLS and Firewalls security practices
- Juniper and / or Cisco experiences
- Highly organised individual with the ability to work under pressure, assimilating information quickly and acting decisively in an environment of changing priorities
- Service provider background (Desirable)
- Programming and automation interests (Desirable)
- IPv6 and VOICE exposure (Desirable)

You share our values. They make us who we are:

- **Find a way:** Always working together to deliver market-leading solutions and provide customer service excellence to our communities
- **Be committed:** We are all accountable for our actions and work relentlessly with our many customers to deliver on our promises
- **Do the right thing:** We always base our decisions on what we believe is fair, considerate and in the best interest of our customers and our colleagues
- **Keep it simple:** In an industry of complexity and confusion, we make things easy for everyone to understand

Culture & benefits:

We empower people to do what they do best; fast. We want you to bring you, so we don't 'fence' anyone in to a single way of working. You will get the latest news through our staff magazine, Gigabites, and monthly company updates (food can play a major part in this!). You are living and breathing our values, so your colleagues may nominate you for our Star of the Month award. If you win you get an extra day's holiday. Like us, you probably like to get a bit social too. We have a weekly running club, Gigaclear FC plus two company socials a year, and more.

On top of this we offer great benefits such as, Study Support, Income Protection, Life Assurance, Pension and 25 days holiday (plus bank holidays).

When you apply for this role, please access the full job description in the account registration area.
